The Callaway County 4-H and FFA members would also like to thank John Payne Harrison Auction Services and Jefferies & Smart Auction Service for helping with our livestock/ham/bacon sale.

Moments Matter.

Driving the new tractor is something she's been looking forward to.

An ag community is built one family, one field, and one moment at a time.

Farming, just like all industry, has changed with time. But, one thing that hasn't changed is that The Callaway Bank has been helping farmers grow for over 165 years.

Our lenders know ag lending, from crops to livestock to agri-business, because they're farmers, too.
